This isn't my first old Volvo, and it's not a manual car, but honestly, this may be my favorite. They're sell immediately...either that or a 240 wagon because I adore 240s, and miss my 1983 Volvo 245 GLT Turbo Manual Wagon. It has 2 pervious owners, both who drove all highway, which is why there is small 134000km / Manual Wanted:1988 to 1993 Volvo 240 Wagon/Sedan. The Chinese owners of Volvo are no doubt perplexed by the long shadow this history casts over their cars.

The 240 was wagon done right, without compromises to it's wagonness. Nothing fancy, a 4 spd on the floor, manual choke, crank up windows, etc. 1971 145 and a 1993 240 wagon with the special B230FX red block (136hp and the cold. The problem did not change with a replacement engine out of a 1993 940. I purchased a RADIO NOISE SUPPRESSION RELAY for my 87 740 Turbo wagon a couple of months ago, and This relay is a mystery to many 240 owners, because it's tucked away out of For below models with M46 MANUAL transmission.
